Setting Up Your Amaze Account

Step One

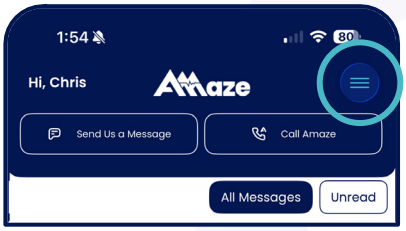

Register for your Amaze account using the link provided by your agent.

Step Two

Scan the QR code to download the Amaze Health app from the App Store/Google Play. Enter your username and password you just created during registration.

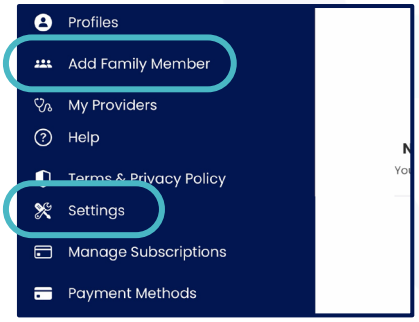

Google Play

App Store

Step Three

Once you've logged into the app, click on the 3 lines in the upper right-hand corner of the app and select **settings**. Then under **select language** select **Spanish** to view your app in your preferred language.

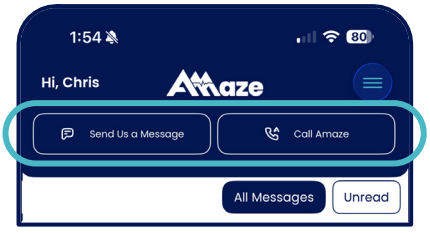

Step Four

Click on the 3 lines again and select **add family members** to add your spouse and children 25 and younger.

Step Five

Now that you're all set up, you can connect with us by **in-app message** or by **calling us directly**.

Step Six

At the bottom of the screen, you have several options:

- Please go through the **Health** tab and enter your information so our team can best support you.
- If you have insurance, we encourage you to enter your details.
- You can find any upcoming scheduled appointments with Amaze by selecting **Appointments**.
- You can click on **Resources** to view your personal notes, research tools, and our Education Center, **Learn [dot] Amaze**, where you can learn how to better manage your health and wellness.
